22 April 54

MEMORANDUM FOR THE RECORD:

SUBJECT: Proposed OPM: Overslotting for Purposes of Processing and Entering  
Individuals on Duty with Elements of DD/I. (19 Apr draft)

1. Undersigned had a meeting with [REDACTED] this date to discuss proposed OPM. [REDACTED] expressed his complete satisfaction with the OPM. He requested that he be given two days to "go over" it with Admin/Personnel officers of the major components of the DD/I. He indicated that by no later than Monday morning (26 Apr 54) he would give me their reaction, which he expects will be favorable.

2. [REDACTED] indicated that he would appreciate having a summary of his ceilings and on-duty strength each week for the major components of DD/I and the DD/I totals if this could be readily provided. He indicated that this was not a must. In a brief conversation with [REDACTED] this date, it was indicated that he will maintain a running inventory of DD/I (by components) ceiling and on-duty strength. He called [REDACTED] and agreed to transmit the requested data weekly after the program got under way, which will probably be 1 May 54.
